

Engelbert Humperdinck - Cant Take My Eyes Off You

tom:
Dbm

A Gbm6 E A Gbm6 E

[Verse]

You're just too good to be true
Can't take my eyes off you
You'd be like heaven to touch

I wanna hold you so much
At long last love has arrived
And I thank God I'm alive

You're just too good to be true
Can't take my eyes off you

[Verse]

Pardon the way that I stare
There's nothing else to compare
The sight of you leaves me weak

There are no words left to speak
But if you feel like I feel
Please let me know that it's real

You're just too good to be true
Can't take my eyes off you

[Instrumental]

I love you baby, and if it's quite all right
I need you baby to warm the lonely night
I love you baby, trust in me when I say:
Oh pretty baby, don't bring me down, I pray
Oh pretty baby, now that I found you, stay
And let me love you, baby. Let me love you ...
