

Enigma - Gravity Of Love

```
tom:
               Dbm
                      Dbm
O Fortuna, velut Luna
Dbm A B
O Fortuna, velut Luna
Turn around
And smell what you don't see
Close your eyes
It is so clear
Here's the mirror
Behind, there is a screen
On both ways, you can get in
Don't think twice before you listen to your heart
  Follow the trace for a new start
  What you need
And everything you feel
Is just a question of the deal
In the eye of storm
You'll see a lonely dove
The experience of survival is the key
    Ab Dbm
To the gravity of love
O Fortuna, velut Luna
```

```
The path of excess leads to the Tower of Wisdom
The path of excess leads to the Tower of Wisdom
Try to think about it
That's the chance to live your life and discover
B Ab Dbm
What it is, it's the gravity of love
     A Dbm A
O Fortuna, velut Luna
(E D Dbm B Gbm)
Look around, just people
Can you hear their voice?
Find the one who'll guide you
To the limits of your choice
If you're in the eye of storm
Just think of the lonely dove
The experience of survival is the key
             Dbm
To the gravity of love, oh
      A Dbm
(O Fortuna, velut Luna)
Dbm A Dbm A
 (O Fortuna, velut Luna)
      A Dbm
  (O Fortuna, velut Luna)
 (O Fortuna...)
