

Enigma - Prism Of Life

tom:

Intro: Em D Em G

I am hunted by the future

Will the future be my past?

Or is time a fade out picture

Of my everlasting cast?

Love is phasing

Love is moving

To the rhythm of your sight

I get closer

To the crossing point of light

(G Em C D G)

Uuuh Sanctus, Sanctus Dominus Deus Sabaoth

Pleni sunt caeli et terra gloria tua

Hosanna in excelsis. Benedictus

(G Em C D G)

(G C G D)

(G Em C D)

Let us try to live our lost illusions

They're the sun at night

If we don't we'll never taste

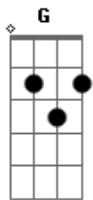

The spice of life

And when it seems

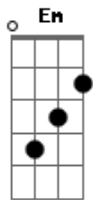

That we're in a dead end street

There's no reason to cry

Cause we have a helping hand

Who's always aside

Forever light

Hosanna in excelsis. Benedictus
