Intro: Em D Em Am7 D7 B7 Em7
I fell in love with you watching Casablanca
Back row at the drive in show in the flickering light
Popcorn and cokes beneath the stars
Became champagne and caviar
                B7
                                  Fm7
Making love on a long hot summers night
I thought you fell in love with me watching Casablanca
Holding hands neath the paddle fans in Rick's candle lit cafe
Hiding the shadows from the spots
A rocky moonlight in your arms
                      B7
Making magic in the movies in my old Chevrolet
                    D7
Oh a kiss is still a kiss in Casablanca
                   D7
But a kiss is not a kiss without your sigh
```

```
Please come back to me in Casablanca
I love you more and more each day as time goes by
I guess there're many broken hearts in Casablanca
You know I've never really been there so I don't know
I guess our love story will never be seen

On the big wide silver screen

                               B7
But it hurts just as bad when I had to watch it go
