

Ennio Morricone - The Good The Bad The Ugly

Tom: C

The next part Must be Played very fast.

THE GOOD, THE BAD, AND THE UGLY THEME

Tabbed by Ruben Van Velzen

I think it's the best western movie ever made.
And the best soundtrack to the tab is quite good maybe there
are a few mistake's in it.

Thank you for Looking and please rate it.
I hope you enjoy it.

The first part is easy but the second part is really hard to
play.
