

Enrique Iglesias - There Goes My Baby (feat. Flo Rida)

Tom: C
 There is only one Flo and one Rida (one love one love)

Enrique
 She came from nowhere and she stole my soul
 Her love was criminal
 I finally found what I was looking for
 Now I can't let it go
 We break up to make up
 You got me spinning like a yo yo yo
 But I know that you know
 That girl you will always be mine

2x
 Hey!
 There goes my baby whoaa
 Hey hey baby come back to me
 I get so high when she go down down low
 She work it nice and slow
 We going round and round and back and forth
 Can't take it anymore
 We break up to make up
 You got me spinning like a yo yo yo
 But I know that you know
 That girl you will always be mine
 2x
 Hey!

There goes my baby whoaa
 Hey hey baby come back to me
 There goes my baby
 My wholesome lady
 Hold me down if my whole world went crazy
 That' s what she spoke
 Just what she said
 Now that's a joke
 That talk is dead
 Know I got to get over the love I had
 The door I keep it open just in case she come back
 Can't deal with the emotions to the point I'm sad
 And I know my hearts broken but I've got so attached
 Baby come back I won't get no sleep
 She more than I want and all that I need
 Locked up my heart and threw away the key so
 And when my baby come back I'm crossing my T's dotting my I's
 And now I can't eat
 Out of my mind
 And that's how it's gonna be so, so, so
 4x
 Hey!
 There goes my baby whoaa
 Hey hey baby come back to me
