 I woke and my dreams are shattered here on the floor

Verso 2:

The day after tomorrow I'll still be around  
 To catch you when you fall and ever let you down  
 you say that we're forever our love will never end  
 I've tried to come up but it's drowning me to know  
 you'll never feel my soul  
 It's trapped between true love and being alone  
 when my eyes are closed the greatest story told  
 i woke and my dreams are shattered here on the floor

Refrão:

C G  
 You won't ever know  
 Am F  
 How far we can go  
 C G  
 You won't ever know  
 Am F  
 How far we can go (go)

Why oh why tell me why not me  
 why oh why we were meant to be  
 Baby I know I could be all you need  
 Why oh why oh why

Why oh why tell me why not me  
 Why oh why we were meant to be  
 Baby I know I could be all you need  
 Why oh why oh why oh why

I wanna love you  
 If you only knew how much I love you  
 so why not me  
 (why not me, why not me)
