 In time bleeding wounds will heal

 Like scars in a nomads soul  
 Ab Eb F  
 Their mending is so slow

Cm  
 Not the shout of a hundred enemies  
 Ab Eb F  
 Can make him feel fear inside him

Cm  
 But when sun sets and the cold arrives  
 Ab Eb Gm  
 With crushing solitude in the darkness of night

Refrão:  
 Cm Ab Fm Gm  
 He will ride across land and time  
 Cm Eb Bb Fm  
 To find a way through this endless night

 He is known at every sea and far beyond  
 Cm  
 As the moon grows and the circle is complete
