

# Epica - Beyond the Good, the Bad and the Ungly

Tom: G  
Intro: Dbm  
x11

Dbm  
( Ab B C )

[Verse I]

Dbm  
Live in this moment like there is no past  
All that matters is to be who you are  
Dbm  
Be in this moment judgment will not last  
Urge yourself to claim back your life

[Pre-chorus]

A Gbm E Ab  
Take a leap into the dark  
A Gbm  
Dare to dive and fall  
E Ab  
The point of no return restrains us

[Chorus]

Em C  
Shine through the sky  
G D Bm  
Beyond the matrix  
C D  
Feel what it's like  
Em ( E Gb G B )  
To reach divinity  
C D  
Aim at the sky open your mind  
Em C  
Then you will be balanced and free  
Am Bm C D E  
Be the master over your own energy

[Verse II]

Dbm  
Shake off oiled feathers, leave your past behind  
Gbm Bm G Ab  
Use your inner force to reach your true self  
Dbm  
When there's no future you can't be occupied  
Gbm Bm G Ab  
By non-essential waste and ruins of the past

[Prechorus]

A Gbm E Ab  
Recreate your hologram  
A Gbm

Dare to dive and fall  
E Ab  
The point of no return restrains us

[Chorus]

Em C  
Shine through the sky  
G D Bm  
Beyond the matrix  
C D  
Feel what it's like  
Em ( E Gb G B )  
To reach divinity  
C D  
Aim at the sky open your mind  
Em C  
Then you will be balanced and free  
Am Bm C D E  
Be the master over your own energy

[Bridge]

E2 Dbm A2  
Someday you'll open up again  
B  
To learn and grow  
E2 Dbm C D  
Someday you'll have to reach for new endeavours  
E2 Dbm A2  
To perceive your inner self  
B  
Perceive your soul  
Dbm A2 B  
Someday you'll start to live your life

[Guitar solo] (which is based on chorus chord progression if I'm not mistaken)

[Chorus]

Em C  
Shine through the sky  
G D Bm  
Beyond the matrix  
C D  
Feel what it's like  
Em ( E Gb G B )  
To reach divinity  
C D  
Aim at the sky open your mind  
Em C  
Then you will be balanced and free  
Am Bm C  
Be the master over your life  
D Am Bm C  
Stay in charge, maintain your duty  
D Am Bm C D E  
Dive into the sea of pure tranquility  
N.C.  
( E E Gb G Gb D E )

## Acordes
