

# Epica - This Is The Time

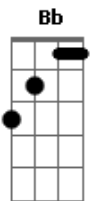

tom:  
 D  
 This is the time  
 Bb  
 We waited too long  
 D Cadd9  
 And I'm wondering  
 Bb  
 Where I belong  
 D Cadd9  
 We have lost  
 Bb  
 We're out of control  
 Bb Gm  
 When we fail nature speaks to us all  
 D  
 This is the time  
 Cadd9  
 I'll tell you why  
 Bb  
 The world's left alone  
 D Cadd9  
 Now's the time  
 Bb  
 to make right what's wrong  
 D Cadd9  
 We have lost  
 Bb  
 We're out of control  
 Bb Cadd9 Gm  
 If we're straight can we hear nature's call  
 Bb C  
 When we fail nature speaks to us all  
 D  
 This is the time  
 Cadd9  
 So what's the world to be  
 Bb  
 Just a luxury  
 Cadd9 D  
 A temporary sing?  
 Cadd9 Bb  
 But what have we got  
 Cadd9 D  
 When is gone away?  
 Cadd9  
 We need to come to see  
 Bb Gm Bb  
 What the Earth should be: a sanctuary free  
 C  
 A renewed paradise still alive  
 D Cadd9  
 This is the time  
 Bb  
 The sky and the sea  
 D Cadd9  
 We speak the paragons  
 Bb  
 We planted to seed  
 D Cadd9

We have lost  
 Bb  
 We're out of control  
 Bb Cadd9 Gm  
 If we're straight can we hear nature's call  
 Bb C  
 When we fail nature speaks to us all  
 D  
 This is the time  
 Cadd9  
 So what's the world to be  
 Bb  
 Just a luxury  
 Cadd9 D  
 A temporary sing?  
 Cadd9 Bb  
 But what have we got  
 Cadd9 D  
 When is gone away?  
 Cadd9  
 We need to come to see  
 Bb Gm Bb  
 What the Earth should be: a sanctuary free  
 Bb Gm  
 All that we sacrificed  
 Bb  
 In the end has it's price  
 C  
 A renewed paradise still alive  
 Bm A  
 In your eyes  
 ( Bm A )  
 ( Bm A )  
 ( Bm A )  
 D  
 This is the time  
 Cadd9  
 So what's the world to be  
 Bb  
 Just a luxury  
 Cadd9 D  
 A temporary sing?  
 Cadd9 Bb  
 But what have we got  
 Cadd9 D  
 When is gone away?  
 Cadd9  
 We need to come to see  
 Bb Gm Bb  
 What the Earth should be: a sanctuary free  
 Bb Gm  
 All that we sacrificed  
 Bb  
 In the end has it's price  
 C  
 A renewed paradise still alive  
 D  
 In your eyes  
 Bb Cadd9 D  
 Still alive in our eyes
