

# Erasmus Carlos - A Carta

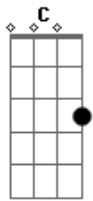

Tom: C

Escrevo-te estas mal traçadas linhas meu amor  
 Porque veio a saudade visitar meu coração  
 Espero que desculpes os meus erros por favor  
 Nas frases desta carta que é uma prova de afeição  
 Talvez tu não a leias, mas quem sabe até darás  
 Resposta imediata me chamando de meu bem  
 Porém o que importa é confessar-te uma vez mais  
 Não sei amar na vida mais ninguém

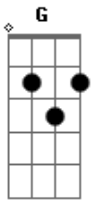

Que li no teu olhar  
 A vida cor de rosa que eu sonhava  
 E guardo a impressão  
 De que já vi passar  
 Um ano sem te ver  
 Um ano sem te amar  
 E ao me apaixonar por ti não reparei  
 Que tu tivesses só entusiasmo  
 E para terminar amor assinarei  
 Do sempre sempre teu erasmo

Tanto tempo faz
