

Eri Santos - Way Up And Down

Tom: C

Hello baby, be alright
 Rock and roll, it never dies
 Hello baby, be alright
 Rock and roll, it never dies
 When you go up the third mountain
 Fell comfortable to shine
 Is just a game
 I'm waiting for you
 I'm waiting for you
 Is just a game

I'm waiting for you
 Is just a game
 Hello baby, be alright
 Rock and roll, it never dies
 When you go down the third mountain
 It was a waste of time
 Is just a game
 I'm waiting for you
 Is just a game
 I'm waiting for you
 Is just a game
