

# Eri Santos - Way Up And Down

Tom: C

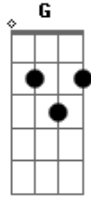

Hello baby, be alright  
 Rock and roll, it never dies  
 Hello baby, be alright  
 Rock and roll, it never dies  
 When you go up yhe third mountain  
 Fell comfortable to shine  
 Is just a game  
 I`m waiting for you  
 I`m waiting for you  
 Is just a game

I`m waiting for you  
 Is just a game  
 Hello baby, be alright  
 Rock and roll, it never dies  
 When you go down the third mountain  
 It was a waste of time  
 Is just a game  
 I`m waiting for you  
 Is just a game  
 I`m waiting for you  
 Is just a game
