

# Eric Church - Springsteen

Tom: D

D  
 To this day when I hear that song  
 I see you standin' there on that lawn  
 G  
 Discount shades, store bought tan  
 Bm A  
 Flip flops and cut-off jeans  
 D  
 Somewhere between that setting sun  
 I'm on fire and born to run  
 G  
 You looked at me and I was done  
 Bm A  
 And we're, we're just getting started  
 D  
 I was singin' to you, you were singin' to me  
 I was so alive, never been more free  
 G  
 Fired up my daddy's lighter and we sang  
 Bm A  
 00hh

D  
 Stayed there 'til they forced us out  
 And took the long way to your house  
 G  
 I can still hear the sound of  
 Bm A  
 you sayin' don't go

D A  
 When I think about you, I think about 17  
 Bm  
 I think about my old jeep  
 G  
 I think about the stars in the sky  
 Bm A  
 Funny how a melody sounds like a memory  
 D G Em  
 Like the soundtrack to a july saturday night

D G D G  
 Springsteen  
 D  
 I bumped into you by happenstance  
 You probably wouldn't even know who I am  
 G  
 But if I whispered your name  
 Bm A  
 I bet there'd still be a spark

D  
 Back when I was gasoline  
 And this old tattoo had brand new ink  
 G  
 And we didn't care what your mom would think  
 Bm A  
 About your name on my arm  
 D  
 Baby is it spring or is it summer  
 The guitar sound or the beat of that drummer  
 G  
 You hear sometimes late at night  
 Bm A  
 On your radio  
 D  
 Even though you're a million miles away  
 When you hear born in the usa  
 G  
 You relive those glory days  
 Bm A  
 So long ago  
 D A  
 When you think about me, do you think about 17  
 Bm  
 Do you think about my old jeep  
 G  
 Think about the stars in the sky  
 Bm A  
 Funny how a melody sounds like a memory  
 D G Em  
 Like a soundtrack to a july saturday night

D G  
 Springsteen  
 D G  
 Springsteen  
 D G Bm A  
 Woah-oh-oh-oh  
 Bm A  
 Funny how a melody sounds like a memory  
 D G Em  
 Like a soundtrack to a july saturday night

D G  
 Springsteen  
 D G  
 Springsteen  
 Woah springsteen  
 Woah-oh-oh-oh

## Acordes
