It was the summer before the real world started and  
The deal was we would get to go, if we  
Cleaned it up, and got it running  
Daddy's old Winnebago

Wing and a prayer down 65  
Five best friends on four bald tires  
I can still see Billy smiling  
When we finally made it

To Talladega, boys raised up  
Whiskey in your glass  
Here's to turning up, slowing down  
And cars that go real fast  
We were laughing and living, drinking and wishing  
And thinking as that checkered flag was waving  
Sure would like to stay in  
Talladega

Like a storm, time rolls on  
You can't hit pause as we just did  
Most days in life don't stand out  
But life's about those days that will, like  
Rocking rando, getting rowdy

Shooting roman candles at the man in the moon  
Til the Alabama sun was breaking

Over Talladega, boys raised up  
Whiskey in your glass  
Here's to turning up, slowing down  
And cars that go real fast  
We were laughing and living, drinking and wishing  
And thinking as that checkered flag was waving  
Sure would like to stay in  
Talladega

When the winds go cold and it blows October  
I think about us shoulder to shoulder  
Like those cars my thoughts roll over and over and over  
In my mind

Tonight i'm in Talladega, boys raised up  
Whiskey in your glass  
Here's to turning up, slowing down  
And cars that go real fast  
We were laughing and living, drinking and wishing  
And thinking as that checkered flag was waving  
Sure would like to stay in  
Talladega
