It was the summer before the real world started and
 The deal was we would get to go, if we
 Cleaned it up, and got it running
 Daddy's old Winnebago

Wing and a prayer down 65
 Five best friends on four bald tires
 I can still see Billy smiling
 When we finally made it

To Talladega, boys raised up
 Whiskey in your glass
 Here's to turning up, slowing down
 And cars that go real fast
 We were laughing and living, drinking and wishing
 And thinking as that checkered flag was waving
 Sure would like to stay in
 Talladega

Like a storm, time rolls on
 You can't hit pause as we just did
 Most days in life don't stand out
 But life's about those days that will, like
 Rocking rando, getting rowdy

Shooting roman candles at the man in the moon
 Til the Alabama sun was breaking

Over Talladega, boys raised up
 Whiskey in your glass
 Here's to turning up, slowing down
 And cars that go real fast
 We were laughing and living, drinking and wishing
 And thinking as that checkered flag was waving
 Sure would like to stay in
 Talladega

When the winds go cold and it blows October
 I think about us shoulder to shoulder
 Like those cars my thoughts roll over and over and over
 In my mind

Tonight i'm in Talladega, boys raised up
 Whiskey in your glass
 Here's to turning up, slowing down
 And cars that go real fast
 We were laughing and living, drinking and wishing
 And thinking as that checkered flag was waving
 Sure would like to stay in
 Talladega
