It was the summer before the real world started and  
 The deal was we would get to go, if we  
 Cleaned it up, and got it running  
 Daddy's old Winnebago

Wing and a prayer down 65  
 Five best friends on four bald tires  
 I can still see Billy smiling  
 When we finally made it

To Talladega, boys raised up  
 Whiskey in your glass  
 Here's to turning up, slowing down  
 And cars that go real fast  
 We were laughing and living, drinking and wishing  
 And thinking as that checkered flag was waving  
 Sure would like to stay in  
 Talladega

Like a storm, time rolls on  
 You can't hit pause as we just did  
 Most days in life don't stand out  
 But life's about those days that will, like  
 Rocking rando, getting rowdy

Shooting roman candles at the man in the moon  
 Til the Alabama sun was breaking

Over Talladega, boys raised up  
 Whiskey in your glass  
 Here's to turning up, slowing down  
 And cars that go real fast  
 We were laughing and living, drinking and wishing  
 And thinking as that checkered flag was waving  
 Sure would like to stay in  
 Talladega

When the winds go cold and it blows October  
 I think about us shoulder to shoulder  
 Like those cars my thoughts roll over and over and over  
 In my mind

Tonight i'm in Talladega, boys raised up  
 Whiskey in your glass  
 Here's to turning up, slowing down  
 And cars that go real fast  
 We were laughing and living, drinking and wishing  
 And thinking as that checkered flag was waving  
 Sure would like to stay in  
 Talladega
