

# Eric Clapton - Anyday

Tom: G

D D G Bb  
 Heard you talking and I thought I heard you say  
 D D G Bb  
 Yeah, "Please leave me alone  
 D D G Bb  
 Nothing in this world can make me stay  
 D D G Bb C G7 D  
 I'd rather go back, I'd rather go back home"

CHORUS:

G C G7 D G C G7 D  
 But if you believe in me  
 G C G7 D G C G7 D  
 Like I believe in you  
 G C G7 D G C G7 D

We could have a love so true  
 G C G7 D  
 We would go on endlessly  
 G C  
 And I know anyday, anyday, I will see you smile G C Am  
 G C G C Am D7  
 Any way, any way, (if) only for a little while  
 Well someday baby, I know you're gonna need me  
 When this whole world has got you down  
 I'll be right here, so woman call me  
 And I'll never ever let you down ...CHORUS  
 Break the glass and twist the knife into yourself  
 You've got to be a fool to understand  
 To bring your woman back home  
 After she's left you for another  
 You've got to be a, you've got to be a man ...CHORUS

## Acordes
