

# Eric Clapton - Circus Left Town

Tom: E

From: lpm40@ (Liam McCarthy)

I only discovered my mistake when it was noted in the transcription below that I had mixed up the Ab7 and the Gb7 chords. I have corrected the mistake in the attached text. Apologies for the error. Enjoy the song.

>Somebody posted this on one of the guitar newsgroups, I think. I've reformatted it a little bit and deleted the header (so much for giving credit where credit is due :( ), but this is the important stuff.

>The picking technique is 4 bar repeating cycle which for the most part concentrates on the middle 4 strings, except when playing G#7. Each vertical line represents one bar, each bar has 2 beats which are clearly marked by the thumb and middle finger. The index finger only appears on half beats.

>Key: t = thumb  
 i = index finger  
 m = middle finger
