

# Eric Clapton - Don't Think Twice Its Alright

Tom: E

Intro: E B Dbm A E B E

Ain't no use to sit and wonder why, babe,  
It don't matter anyhow.

Ain't no use to sit and wonder why, babe,  
If you don't know by now.

When your rooster crows at the break of dawn,  
Look out your window, baby, I'll be gone.

You're the reason I'll be traveling on.  
Don't think twice, it's all right.

Intro: solo

Ain't no use in turning on your light, babe,  
The light I never knowed.

Ain't no use in turning on your light, babe,  
I'm on the dark side of the road.

Still I wish there was something you would do or say,  
Trying to make me make my mind up and stay.

We never did too much talking anyway.

Don't think twice, it's all right.  
Intro: solo

Ain't no use in calling out my name, babe,  
Like you never did before.

Ain't no use in calling out my name, babe,  
Lord, I can't hear you anymore.

I'm thinking and wondering all the way down the road.  
I once loved a woman, a child I'm told.

Gave her my heart, but she wanted my soul.  
Don't think twice, it's all right.

Intro: solo

Walking down that long lonesome road, babe,  
Where I'm bound, I can't tell.

Goodbye is too good a word, yeah,  
So I'll just say fare thee well.

I ain't saying you treated me unkind.  
You could've done better, baby, but I don't mind.

You just kind of wasted my precious time.  
Lord, but don't think twice, don't think twice, it's all right
