 He gave to you a golden ring;

 It made you happy, it made you sing.

 And I played for you on my guitar;

 It didn't last long, we didn't go far.

Chorus
 D A
 And though the times have changed,
 E Gbm
 We're rearranged.
 D A E A
 Will the ties that bind remain the same?

A D A
 You came around after a while;
 E Gbm D A

Everyone said that I made you smile.

 It all went well, and suddenly then
 E Gbm D A
 You heard that he would marry again.

Chorus
 D A
 And though the times have changed,
 E Gbm
 We're rearranged.
 D A E A
 Will the ties that bind remain the same?

 Well I know that I have been here before;
 E Gbm D A
 I've trod on your wings, I've opened the door.

 If I gave to you a golden ring
 E Gbm D
 A
 Would I make you happy, would I make you sing?
