

Eric Clapton - Got you on my mind

Tom: E

verso 1:

I've got you on my mind, feeling kinda sad and low.

I've got you on my mind, feeling kinda sad and low.

I'm wondering where you are, wondering why you had to go.

verso 2:

Tears begin to fall, every time I hear your name.
Tears begin to fall, every time I hear your name.
But since you ran away, nothing seems to be the same. (aqui você solta C e B)

ponte:

No matter how I try, my heart don't seem to forget you.

If ever it should be, you wanna come back to me you know I let you.

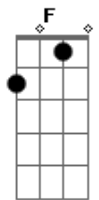

repete o verso 1

repete a ponte

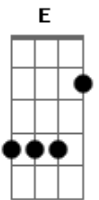

repete o verso 1 e repete a ultima linha(I'm wondering where...) 2x

obs.:0 acorde de C (na extremidade dos versos e da ponte) pode também ser um F. Se isto estiver correto, o seguinte B deve provavelmente ser um E.
