 It's in the way that you use it,  
 E A Dbm B  
 It comes and it goes.  
 E A Dbm B  
 It's in the way that you use it,  
 E A Dbm B  
 Boy don't you know.  
 E A Dbm B  
 And if you lie you will lose it,  
 E A Dbm B  
 Feelings will show.  
 E A Dbm B  
 So don't you ever abuse it,  
 E A Dbm B  
 Don't let it go.  
 E A Dbm B  
 Nobody's right till somebody's wrong.  
 E A Dbm B  
 Nobody's weak till somebody's strong.  
 E A Dbm B  
 No one gets lucky till luck comes along.  
 E A Dbm B  
 Nobody's lonely till somebody's gone.  
 E A Dbm B  
 It's in the way that you use it,  
 E A Dbm B  
 It comes and it goes.  
 E A Dbm B  
 It's in the way that you use it,  
 E A Dbm B  
 Boy don't you know.
