

# Eric Clapton - One More Chance

Tom: B

**Ebm**  
Without wishing to cause you any pain,  
**Bbm**  
**Ebm**  
I got to push on through, babe,  
**Ebm**  
And if I take the chance of seeing you again,  
**Bbm**  
**Ebm**  
I just don't know what I would do, baby.

**Ebm**  
And sometimes I think I'm gonna be just fine;  
**Bbm**  
**Ebm**  
All I got to do is go through it, babe.  
**Ebm**  
Then I hear those voices in the back of my mind,  
**Bbm**  
**Ebm**  
Telling me over and over and over that I blew it babe.

**Ebm**  
You had one chance and you blew it.  
**Bbm**  
**Ebm**  
You may never get another chance.  
**Ebm**  
You had the floor and you knew it.  
**Bbm**  
**Ebm**  
You can't blame it on your circumstance.

**Ebm**  
At the risk of causing you a little pain,  
**Bbm**  
**Ebm**  
I'm going to have to forget you, babe,  
**Ebm**  
'Cause you broke my heart, left it out in the rain  
**Bbm**  
**Ebm**  
And you'd do the same again if I let you, babe.

**Ebm**  
I would give anything to hold you in my arms,  
**Bbm**

But you know I can't do that, baby.  
**Ebm**  
I guess I'll have to live with the choice that I have made  
**Bbm**  
**Ebm**  
Even though deep down I still suspect that I blew it.

**Ebm**  
You had one chance and you blew it.  
**Bbm**  
**Ebm**  
You may never get another chance.  
**Ebm**  
You had the floor and you knew it.  
**Bbm**  
**Ebm**  
You can't blame it on your circumstance.

**Ebm**  
You had one chance and you blew it.  
**Bbm**  
**Ebm**  
You may never get another chance.  
**Ebm**  
You had the floor and you knew it.  
**Bbm**  
**Ebm**  
You can't blame it on your circumstance.

**Ebm**  
You had one chance and you blew it.  
**Bbm**  
**Ebm**  
You may never get another chance.  
**Ebm**  
You had the floor and you knew it.  
**Bbm**  
**Ebm**  
You can't blame it on your circumstance.
