It's three miles to the river that would carry me away,  
 and two miles to the dusty street that I saw you on today,  
 It's four miles to my lonely room where I'm gonna hide my  
 face,  
 and about half a mile to the downtown bar that I ran from in  
 disgrace

Lord how long have I got to keep on running?  
 Seven hours, seven days or seven years?  
 All I know is since you've been gone, feel like I'm drowning  
 in a river  
 Drowning in a river of tears  
 Drowning in a river  
 Feel like I'm drowning, drowning in a river

In three more days, I leave this town, and disappear without a  
 trace,  
 a year from now maybe settle down, where no one knows my face,  
 I wish that I could hold you one more time to ease the pain,  
 But my times run out and I got to go, got to run away again

Still I catch myself thinking one day I'll find my way back  
 here  
 And you'll save me from drowning,  
 Drowning in a river, drowning in a river of tears  
 Drowning in a river, Feels like I'm drowning,  
 Drowning in a river  
 Lord how long must this go on?

Drowning in a river, drowning in a river of tears.
