

Eric Clapton - Tulsa Time

Tom: G

G Well, I left Oklahoma, driving in a Pontiac,
 just about to lose my mind. D
 I was going to Arizona, maybe on to California,
 where people all live so fine. G
 My mother says I'm crazy, my baby calls me lazy,
 but I'm gonna show them all this time, D
 'cause you know I ain't no fool and, I don't need no more
 damn schoolin'.
 I was born to just walk the line. G

Living on Tulsa time, living on Tulsa time,
 gonna set my watch back to it,
 'cause you know that I've been through it, living on Tulsa
 time.

G So there I was in Hollywood, thinking I was doing good,

D talking on the telephone line.
 They don't want me in the movies and nobody sings my
 songs, G
 my mama says my baby's doing fine.
 So then I started winking, then I started thinking,
 that I really had a flash this time. D
 That I had no business leaving, and nobody would be
 grieving, G
 you see I'm on Tulsa time.

D Living on Tulsa time, living on Tulsa time,
 gonna set my watch back to it,
 'cause you know that I've been through it, living on Tulsa
 time.

D Living on Tulsa time, living on Tulsa time,
 gonna set my watch back to it,
 'cause you know that I've been through it, living on Tulsa
 time.
