4/4-- 120-- fast moderato

I think most of this next part is right...

this\_\_\_\_\_|

Then, back to the first part with this...

...Which leads into...

I know this next part is not right, but this is what I play, & I think it sounds kinda like it so...

Then, this cool part...

Keep playin this for a while, adding this variation when needed\_\_\_\_\_|

When the distorted 2nd guitar comes in, it plays these fills...

Now, it goes back to the beginning 8 measures (by now you probably know what goes where...) Here's the second slow solo...

Now that one part comes back, but instead of playing the same thing twice, the second part of this one goes like this...

Then, there's this part...(this is how I play it...)

Play that twice, then there's this...(I think it's 3/3...)
