

Eric Nam - Eyes, Nose, Lips

Tom: G
Intro: Em Fm

C
Tell me is it really hard to see
G
That you make it so hard on me
Am
Go ahead and sting me with your lips
C
'Cause you're just about to kill me
E
Won't you set me free

F
But give me one more glance as you walk away
C
Smile like everything's gonna be okay
E
When I'm needin' you again
I'll see you in my head
F Fm C
I'll remember as if everything's always just the same

G
I know that I've been cruel in my selfish ways
Am
I'm looking like a fool in the end
E
I'm sorry if I hurt you oh baby
F
Baby please just talk to me

C
Lookin' like a fool
E
Gotta get away from you
F Fm
Oh tell me what do I do?

C
In your eyes, nose, lips
E
The way she used to touch my skin
Am Am7
Your head down to your toes
F Fm
It's like you're standing right in front of me now

C
Though the light's gone darker now
E
You've just gone way too far
Am Am7
I'll keep you in my heart
F Fm
Though it kills me to say it now. Baby I'll get over you

C
Baby I just loved you so much
G
But I guess it wasn't enough
Am
Can I see you once again
'Cause I'm dying from this pain
E
Oh take me out of the rain

F
Never thought I would be one to cry
C
But you were always there standing by my side
E
In our pictures you and I
In love until we die
F Fm C
Now imagining that we would be the ones to say goodbye
