## **Eric Pasley - She Dont Love You**

Tom: G Intro: G C G C

She don't love you she's just lonely She wasn't once upon a time Am She used to dance when the band played She used to be the trusting kind G She's no stranger to the leaving She's heard all the best goodbye's Am Loving has a different meaning To her you're just another guy She don't love you she's just lonely G She don't know another way D To break free of what's been broken С G To many cowboys roll away So forgive her if she's distant Fm She can't tell her heart to lie, noooo You'll never be her one and only D She don't love you she's just lonely ( G C G )

C G You can hold her in the moonlight C You can give her all the stars Am

## Acordes

You can promise her forever D But you'll never have her heart G She don't love you she's just lonely G She don't know another way D To break free of what's been broken С G To many cowboys roll away C So forgive her if she's distant Fm She can't tell her heart to lie, nooo She'll never be your one and only C G She don't love you she's just lonely. C She don't love you С She don't love you G She's just lonely Am She wasn't once upon a time D I remember her in the sunlight C I remember her She was G Mine G C G Mine (CG)
