

# Erich Cobrah - Like a Stranger

tom:  
 Abm (forma dos acordes no tom de Am )  
 Afinação: Eb Ab Db Gb Bb Eb

Sometimes I feel like a stranger

Like a man of hope crying in the rain

So tired running away for nothing

Waiting the color of the night and the light of the day

Why couldn't I hear those beautiful voices

In that wonderful place another day?

Why couldn't I have the beautiful choices

Creating smiles, believing, every day?

They showed me the blaze of glory

But they didn't say I would have to pay

There is no pain I haven't crossed

Would you believe, Alice, anyway?

Sometimes I feel like a stranger

Why couldn't I hear those beautiful voices

In that wonderful place another day?

Why couldn't I have the beautiful choices

Creating smiles, believing, every day?

( Am G Am G )  
 ( Am G F C G )

Sometimes I feel like a hero

Lost in dark street so far away

The only warrior after the moment

That saves himself in mysterious way

Why couldn't I hear those beautiful voices

In that wonderful place another day?

Why couldn't I have the beautiful choices

Creating smiles, believing, every day?

( Am G Am G )  
 ( Am G F C G )

Sometimes I feel like a stranger
