Sometimes I feel like a stranger
Like a man of hope crying in the rain
So tired running away for nothing
Waiting the color of the night and the light of the day
Why couldn't I hear those beautiful voices
In that wonderful place another day?
Why couldn't I have the beautiful choices
Creating smiles, believing, every day?
They showed me the blaze of glory
But they didn't say I would have to pay
There is no pain I haven't crossed
Would you believe, Alice, anyway?
```

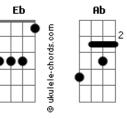

```
Why couldn't I hear those beautiful voices
In that wonderful place another day?
Why couldn't I have the beautiful choices
Creating smiles, believing, every day?
Sometimes I feel like a hero
Lost in dark street so far away
The only warrior after the moment
That saves himself in mysterious way
Why couldn't I hear those beautiful voices
In that wonderful place another day?
Why couldn't I have the beautiful choices \Gamma
Creating smiles, believing, every day?
(Am G F C G)
Sometimes I feel like a stranger
