

# Erik Lenfair - A Hot Night In The Bar

Tom: E

m  
Intro: Em C B7

Em  
Hey there babe  
C B7  
I'm thinking 'bout you often lately  
Em C B7  
When I put my perfume on  
Em  
The other day  
C B7  
Cruising 'round and flipping through the radio  
Em C B7  
They played that Arcade Fire song  
  
Em  
Cause it's that time now when nights get hot  
C B7  
You know where to find me, I told you before  
Em  
You know where to find me when summer is hot ?  
C B7  
I'll be in the city in our favorite bar  
  
Em C B7  
Ah yeah, just wanna feel your lips against mine  
Em C B7  
Hmm, I knew we would eventually meet tonight  
Em C B7  
I hear saxophones in my thirsty heart  
Em C B7  
We're toning down the dark, I want it sweet and soft  
  
Em  
Hell yeah babe  
C B7  
The whole table getting wasted  
Em C B7  
Talking slashers and romcoms  
Em  
You're looking great  
C B7  
You say you like my tat and my new song  
Em C  
Come on doll, let's get it on  
B7  
Come on  
  
Em

It's hot as hell in here  
C B7  
We might need another beer  
Em  
It's hot as hell in here  
C B7 B7  
But everytime we touch it's like heaven to me  
  
Em C B7  
Ah yeah, just wanna feel your lips against mine  
Em C B7  
Hmm, I knew we would eventually meet tonight  
Em C B7  
I hear saxophones in my thirsty heart  
Em C B7  
We're toning down the dark, I want it sweet and soft  
  
( Em C B7 )  
  
Em C  
Pull your chair a little closer to mine  
B7 Em  
Dirty talking in my ear all night  
C  
We're gonna leave together you and I  
B7  
You and I  
Em  
It's just the way you look tonight  
C B7  
The way you move, the way you smile  
Em  
The heatwave and I'm a little high  
C B7  
I'm glad we've met baby, you and I  
  
Em C B7  
I just wanna feel your lips against mine  
Em C B7  
Because I knew we would eventually meet tonight  
  
Em  
I say I'm done but then I want you back  
C B7  
Hit me baby like I've been so bad  
Em  
I really like it when you talk like that  
C B7  
You talk like that, you talk like that  
  
( Em C B7 )

## Acordes
