

# Erik Lenfair - Closer

Tom: Gb

m

Come a little closer stranger  
 I'm tired of sneaking out before the morning light  
 I might be falling into danger  
 But waking up with you is like a poison

Paradise  
 Just call in sick we'll have a real good time  
 Put on some music, tell me 'bout your life  
 Come back to me, I got a bad desire  
 Oh baby I'm on fire

Baby you and I  
 Should get to know one another  
 Know one another  
 Be forever mine

Because we're meant for each other  
 Meant for each other  
 I wanna hold you tight  
 Come on let's do it right  
 Get it baby

Yeah you look so fine  
 Baby you and I  
 Oh we ain't wasting no more time

Come a little closer stranger  
 I'm tired of sharing you with all those other guys  
 I know you got a pretty wild nature  
 But everybody knows you're supposed to be

Mine  
 Let's stay in bed 'til the end of time  
 We'll order in and watch *Scream* tonight  
 Kissing my neck, I got a bad desire

Oh baby I'm on fire  
 Yeah I'm on fire  
 Let's set the night on fire  
 Baby you and I  
 Should get to know one another  
 Know one another  
 Be forever mine  
 Because we're meant for each other  
 Meant for each other  
 I wanna hold you tight  
 Come on let's do it right  
 Get it baby  
 Yeah you look so fine  
 Baby you and I  
 Oh we ain't wasting no more time

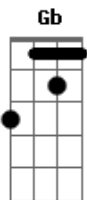

Under the spell of your pheromones  
 Drinking all your venom up  
 Shoot it up, shoot it up  
 Wrapped 'round you like an animal

Baby you and I  
 Should get to know one another  
 Know one another  
 Be forever mine

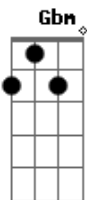

Because we're meant for each other  
 Meant for each other  
 I wanna hold you tight  
 Come on let's do it right  
 Get it baby

Fuck, you look so fine  
 Baby you and I  
 You and I - I - I - I  
 Oh we ain't wasting no more time
