

Erlend Oye - Shadow In The Water

tom:	Shadow in the water
Intro: C Am Em A7 Dm7 C	Shadow in the water
Shadow in the water	Shadow in the water do you notice that I'm here looking at you
Shadow in the water moving faster than my little boat can go	We are very different
They think you are scary	Exactly that's the reason that I'm curious
But I just find you very attractive	Are you curious of me to?
And I will learn to know you more	Are you curious of me to?
And I will learn to know you more	Are you?
You could maybe bite me	Shadow in the water
But it's not very likely	Shadow in the water is it true the things they tell me about you?
I've heard of it to happen only once	Is it true the things they tell me about you?
For now I keep a distance	Is it true the things they tell me about you?
A seldom act of wisdom	Shadow
And prepare to tackle danger if it comes	Shadow
Shadow	Shadow
Shadow	Shadow
Shadow	Shadow
