

Erlend Oye - Shadow In The Water

tom:
 Intro: C Am Em A7 Dm7 C
 Shadow in the water
 Shadow in the water moving faster than my little boat can go
 They think you are scary
 But I just find you very attractive
 And I will learn to know you more
 And I will learn to know you more
 You could maybe bite me
 But it's not very likely
 I've heard of it to happen only once
 For now I keep a distance
 A seldom act of wisdom
 And prepare to tackle danger if it comes

 Shadow in the water
 Shadow in the water do you notice that I'm here looking at you
 We are very different
 Exactly that's the reason that I'm curious
 Ar? you curious of me to?
 Are you curious of me to?
 Are you?
 Shadow in the water
 Shadow in the water is it true the things they tell me about you?
 Is it true the things they tell me about you?
 Is it true the things they tell me about you?
