

Ernani Luís - Sobre As Ondas do Mar

Tom: F

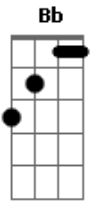

Oh! Por que duvidar, sobre as ondas do mar
 Quando Cristo o caminho abriu
 Quando forçado és, contra as ondas lutar
 Seu amor a ti quer revelar
 Solta o cabo da nau, toma o remo nas mãos

E navega com fé em Jesus
 E então tu verás que bonança se faz
 Pois com ele seguro estarás
 Trevas vêm te assustar, tempestades no mar
 Da montanha o Mestre te vê
 E na tribulação ele vem socorrer
 Suas mãos bem te podem suster
