

Erothides de Campos - Ave Maria

Tom: G

Cai a tarde tristonha e serena

Em macio, suave langor

Despertando no meu coração

A saudade do primeiro amor

Um gemido se esvai lá no espaço

Nessa hora de lenta agonia

Quando o sino saudoso murmura

Badaladas da Ave Maria

Sino que tange

Com mágoa dorida

Recordando os sonhos

Da aurora da vida

Dai-me ao coração

Paz e harmonia

Na prece da Ave Maria!

No alto do campanário

Uma cruz simboliza o passado

De um amor que já morreu

Deixando um coração amargurado

Lá no infinito azulado

Uma estrela formosa irradia

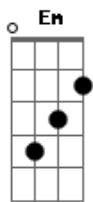

A mensagem do meu passado

Quando o sino tange Ave-Maria
