Tom: G

You may not be a movie star **Bbm7** **Ebm7**
 You may not drive a big fast car **Bbm7** **Ebm7**
 But I love you in every way **Fm7** **Ebm7**
 Yes I love you in every way **Fm7** **Ebm7**

I don't know why, oh why **Bbm** **Ebm**

The dress you wear **Bbm**
 May be too tight **Ebm**
 And folks may say **Bbm**
 That not look right **Ebm**
 But I don't care about their views **Fm** **Ebm**
 I will keep on loving you **Fm** **Ebm**

I don't know why, oh why **Bbm7** **Ebm7**

Every day and every way

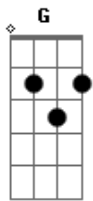

You may not be a movie star **Bbm7** **Ebm7**
 You may not drive a big fast car **Bbm7** **Ebm7**
 But I love you in every way **Fm7** **Ebm7**
 I love you in every way **Fm7** **Ebm7**

I don't know why, oh why **Bbm7** **Ebm7**

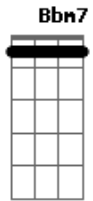

The dress you wear **Bbm7**
 May be too tight **Ebm**
 And folks may say **Bbm7**
 That not look right **Ebm7**
 But I don't care about their views **Fm7** **Ebm7**
 I will keep on loving you **Fm7** **Ebm7**

I don't know why, oh why **Bbm7** **Ebm7**
