Num mar de dendê, caboclo, andarilho, mensageiro

Das mãos que riscam pomba no terreiro

Renasce palmares, Zumbi Agbá!

Exu! O ifá nas entrelinhas dos odus

Preceitos, fundamentos, Olóbé

Prepara o padê pro meu axé

Exu caveira, sete saias, catacumba

É no toque da macumba, saravá, alafiá!

Seu zé, malandro da encruzilhada

Padilha da saia rodada, é, Mojubá!

Sou capa preta, tiriri, sou tranca rua

Amei o Sol, amei a Lua, marabô, alafiá!

Eu sou do carteado e da quebrada

Sou do fogo e gargalhada, é, Mojubá!

Ô, luar, ô, luar, catiço reinando na segunda feira

Ô, luar, dobra o surdo de terceira

Pra saudar os guardiões da favela

Eu sou da lira e meu bloco é sentinela

Laroyê, laroyê, laroyê!

É poesia na escola e no sertão

A voz do povo, profeta das ruas

Tantas estamiras desse chão

Laroyê, laroyê, laroyê!

As sete chaves vêm abrir meu caminhar

À meia noite ou no Sol do alvorecer pra confirmar

Adakê Exu, Exu é odorá!

É bara ô, elegbará!

Lá na encruza, a esperança acendeu

Firmei o ponto, grande rio sou eu!

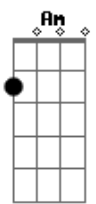

Adakê Exu, Exu é odorá!

É bara ô, elegbará!

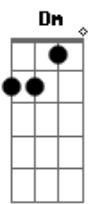

Lá na encruza, onde a flor nasceu raiz

Eu levo fé nesse povo que diz
