

Escuteiros - Abriu-se a Manhã

tom:

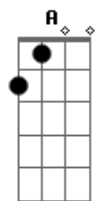

A

Abriu-se a manhã
E eu te encontrei!

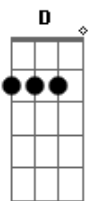

Tua chama brilhou e Teu fogo entrou em mim
Mesmo se distantes, para nós o longe é perto
O nosso horizonte é um céu unido ao mar!

Amar é a partida
De um sonho sem chegada
Voar nas asas do vento e subir ao infinito!
Não há fronteiras que separem
Nossa amizade, sermos um só!
Só o Amor faz renascer
A vida em nós! A vida em nós, em nós
