

# Escuteiros - Abriu-se a Manhã

tom:

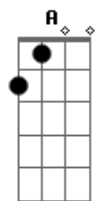

A

Abriu-se a manhã  
E eu te encontrei!

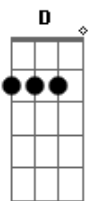

Tua chama brilhou e Teu fogo entrou em mim  
Mesmo se distantes, para nós o longe é perto  
O nosso horizonte é um céu unido ao mar!

Amar é a partida  
De um sonho sem chegada  
Voar nas asas do vento e subir ao infinito!  
Não há fronteiras que separem  
Nossa amizade, Em sermos um só!  
Só o Amor faz renascer  
A vida em nós! A vida em nós, em nós
