

# Electric Callboy - Neon

tom:

Intro: Am Em G D

[Primeira Parte]

Am Em G  
First sight, hard crush, your touch  
D  
I wanna feel it day and night  
Am Em G D  
Messed up, too much, thought about our first touch

[Pré-Refrão]

Am Em  
We were ready to fly  
G D  
We were nothing but close to the sky  
Am Em  
Tell me the reason why  
G D  
You decide to push me away

[Refrão]

Am Em  
Ready to fly  
G D  
We were nothing but close to the sky  
Am Em  
Ready to fly  
G D  
Nothing but close to the sky

[Segunda Parte]

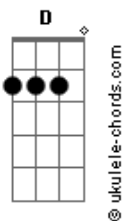

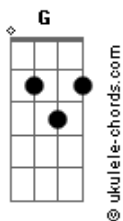

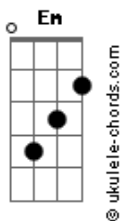

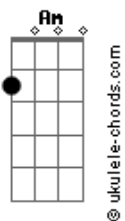

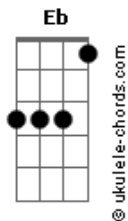

Am Em G  
Break up, hard stuff, fucked up  
D  
I wanna leave it all behind  
Am Em G  
New town, unknown, restart  
D  
Now I'm living on my own

[Pré-Refrão]

Am Em  
We were ready to fly  
G D  
We were nothing but close to the sky  
Am Em  
Tell me the reason why  
G D  
You decide to push me away

[Refrão]

## Acordes

Am Em  
Ready to fly  
G D  
We were nothing but close to the sky  
Am Em  
Ready to fly  
G D  
We were nothing but close to the sky  
[Final]  
Am Em  
We can't go back to  
G D  
The time where it began  
Am Em  
But I love to thank you  
G D  
For the memories we share  
Am Em  
Oh baby, we save the moments; the good, the bad ones  
G D  
Remember you and me  
Am Em  
Oh baby, we can't go back, oh, I can't forget  
G D  
That we were nothing but close to the sky  
Am Em  
We can't go back to  
  
(All I wanted was to be with you)  
G D  
The time where it began  
  
(No matter what you've put me through)  
Am Em  
But I love to thank you  
  
(All I wanted was to be with you)  
G D  
That we were nothing but close the sky  
Am Em  
We can't go back to  
  
(All I wanted was to be with you)  
G D  
The time where it began  
  
(No matter what you've put me through)  
Am Em  
But I love to thank you  
  
(All I wanted was to be with you)  
G D  
That we were nothing but close to the sky  
  
( Am Em G D )
