

# Espelho da Alma - Certas Canções

Tom: G

Sei que ainda trago trovões, eu sei  
 Me levam longe de mim, eu sei  
 Nesta viagem quem sou eu?  
 Nesta miragem onde estou eu?

Quem sou eu?  
 Preciso me encontrar na estrada pura da renovação  
 Certas canções que chegam  
 Trazem consigo um sonho  
 Fazem brotar em tempo  
 Mais uma nova chance
