

# Estakazero - Lua Minha

Tom: **D**  
Intro: ( **A Dbm D Dm** )

( **A Dbm D Dm** )  
Cheguei chovia  
Eu nao sabia  
Tinha alguem a esperar  
Olhei sorria  
Sorriso doce que faz apaixonar

**Gbm**  
Em menos de um segundo  
A minha vida mudou

**Dbm**  
Ate sei quem fui  
Porem nao sei mais quem sou

**Gbm**  
Se ela me quiser tenho certeza  
**D Dm**

**Gbm**  
Nao vou mais a lugar algum  
Mistura exata de anjo com mulher

**Dbm**  
Um olhar que mata

Mas assim que nao quer  
**Gbm**

A beleza nata

que transforma um deus  
**D Dm**

num sujeito comum  
**A Dbm**

Lua minha  
**D Dm**

Que ilumina as noites no litoral  
**A Dbm**

Lua minha  
**D Dm**

Te ter todinha num eclipse total  
**A Dbm**

Lua minha  
**D Dm**

Te ver crescente nova cheia de amor  
**A Dbm**

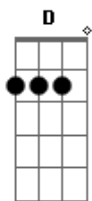

Lua minha...  
**Bm D Dm**

Serei minguante quando voce se for...  
( **Gbm Dbm D Dm** )

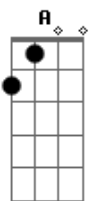

Sha la ru ei...

"Brunna, essa é nossa"
