

# Estrambelhados - Serpentinamente

tom: Gbm

Dei de cara com uma serpentina desenrolada  
 Que dançava leve, livremente solta  
 Embalada pelos gritos do salão  
 Desinibida e abusada  
 Deslizava feito cobra criada

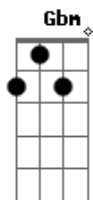

Zombava na pista  
 Causava alvoroço  
 E o tempo pairava no ar

De bote armado, induzia a querer  
 De repente sei lá  
 Vestida de todas as cores  
 Pintava o céu, devorava o sentido  
 O baile perdia o juízo  
 E parava pra vê-la dançar

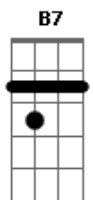

Livremente solta  
 Embalada pelos gritos do salão  
 Livremente solta  
 Embalada pelos gritos do salão

HEY! HOW! HEY!  
 HEY! HOW! HEY!
