

Estranjero - Give Me To The Road

Tom: **G**

D **C**
My heart wants freedom
G **D**
Go where nobody knows me
D **C**
Start a white page, where
G **D**
Each place has potential to be
C **G** **D**
A different tale
D **C**
A childhood feeling of playing
G **D**
With masks and fantasy
D **C**
Everything is unknown
G **D**
A little adventure everyday
C **G** **D**
Look my smile

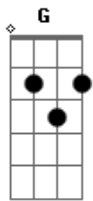

Chorus:

G **C**
The world is a big house
G **C**
Where i can live quietly

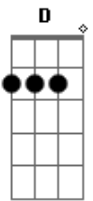

G **C**
The universe lies in my eyes
D
And the infinite in my heart
Passagem: (**C** **G** **D**)
D **C**
I feel the freedom in my veins
G **D**
And the windy blowing my hair
D **C**
This new place is charming
G **D**
That i cant even explain right now
C **G** **D**
I'm high baby

D **C**
I want to know everything
G **D**
All these wonders of the nature
D **C**
See the eyes of the unknown
G **D**
And find new magic hours
C **G** **D**
The time stops
