

Eternal Tears of Sorrow - The River Flows Frozen (acoustic)

Tom: C

^{Am}
Like frozen leaves
^F
We are falling
^G ^C ^G
On to the soil so barren and cold

^{Am}
The rays of sun
^F
No more warming
^G ^C ^G
Our hearts now so cold

^{Am}
Through this field
^F
Of the withered flowers
^G ^C ^G
We go still one more time

^{Am}
The hidden beauty
^F
Forever gone
^G ^C ^G
The river's frozen once again

^{Am} ^{Em}
So came this time
^G ^D ^{Am}
When moonlight blackened my heart:
^{Em} ^{G D}
I can't stand this pain

^{Am} ^{Em}
The chain is broken
^G ^D ^{Am}
It's tearing open my scars:
^{Em} ^{G D}
I want to feel the flame...again

^{Am}
The shine behind
^{Em}
The frozen stream
^G ^D
Reminds me of your eyes

^{Am}
The spark of hope
^{Em}
Still in my heart
^G ^C ^G
Shall dreams become true under the ice?

^{Am} ^{Em}
So came this time
^G ^D ^{Am}
When moonlight blackened my heart:
^{Em} ^{G D}
I can't stand this pain

^{Am} ^{Em}
The chain is broken
^G ^D ^{Am}
It's tearing open my scars:
^{Em} ^{G D A}
I want to feel the flame...again
