

# Etham - 12:45

Tom: G

It's 12.45 on a Tuesday  
 And I don't really care what you say  
 I'm just getting off my face tonight  
 Cause I'm just tryna live to the weekend  
 And I don't know how I'm supposed to breathe when  
 Everything you say is playing on my mind  
 You don't know where I've been  
 And you don't know what I'm drinking  
 I need a moment to think about nothing at all

( F )

Oh baby you gotta stop  
 I see that you're calling  
 I told you that I ain't picking up  
 I know that you wanna start  
 Cause we got our problems  
 I love you but I just need tonight off  
 It's getting pretty deep in the AM  
 And I should go home but I'm staying  
 I hope you're sleeping on the cold floor tonight

Oh oh  
 I hope you'll understand in the morning

That this is just my problem that I'm solving  
 Yeah I got a lot of stuff on my mind  
 I don't know where I've been  
 And what the hell am I drinking?  
 And I can't help but to think yeah it's all my fault  
 Oh baby you gotta stop  
 I see that you're calling  
 I told you that I ain't picking up  
 I know that you wanna start  
 Cause we got our problems  
 I love you but I just need tonight off

Oh oh oh oh

Oh baby you gotta stop  
 I see that you're calling  
 I told you that I ain't picking up  
 I know that you wanna start  
 Cause we got our problems  
 I love you but I just need tonight off  
 Oh oh  
 Just one night off, oh  
 I love you but I just need tonight off

It's 12.45 on a Tuesday  
 I don't really care what you say  
 I'm just getting off my face tonight
