

# Etham - Before I Lose My Mind

Tom: G

Look at the state I'm in  
I couldn't say where I've been  
Knowing that it ain't felt like home  
When you drink in the days away  
They all kind of feel the same  
It's a truth that I had to face alone

I don't know what  
I've been running from, running from  
Or what I thought I would find

All I know is  
You're the only one, only one  
I need you tonight  
Before I lose my mind  
Before I lose my mind  
Before I lose my mind  
Before I lose my mind

Your face's stuck around my eyes  
How have I been so blind?  
Don't tell me that I'm too late this time  
So much I couldn't see  
With words that I didn't speak  
Why do I have to do to make you mine?

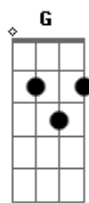

I don't know what  
I've been running from, running from  
Or what I thought I would find  
All I know is  
You're the only one, only one  
I need you tonight  
Before I lose my mind  
Before I lose my mind  
Before I lose my mind  
Before I lose my mind

I don't know what  
I've been running from, running from  
Or what I thought I would find

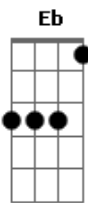

All I know is  
You're the only one, only one  
I need you tonight  
Before I lose my mind  
Before I lose my mind  
Before I lose my mind  
Before I lose my mind

I don't know what  
I've been running from, running from  
I need you tonight
