

Etham - Before I Lose My Mind

Tom: G

Look at the state I'm in
 I couldn't say where I've been
 Knowing that it ain't felt like home
 When you drink in the days away
 They all kind of feel the same
 It's a truth that I had to face alone

I don't know what
 I've been running from, running from
 Or what I thought I would find

All I know is
 You're the only one, only one
 I need you tonight

Before I lose my mind
 Before I lose my mind
 Before I lose my mind
 Before I lose my mind

Your face's stuck around my eyes
 How have I been so blind?
 Don't tell me that I'm too late this time
 So much I couldn't see
 With words that I didn't speak
 Why do I have to do to make you mine?

I don't know what
 I've been running from, running from
 Or what I thought I would find
 All I know is
 You're the only one, only one
 I need you tonight

Before I lose my mind
 Before I lose my mind
 Before I lose my mind
 Before I lose my mind

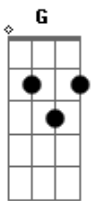

I don't know what
 I've been running from, running from
 Or what I thought I would find

All I know is
 You're the only one, only one
 I need you tonight

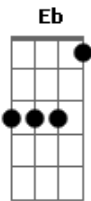

Before I lose my mind
 Before I lose my mind
 Before I lose my mind
 Before I lose my mind

I don't know what
 I've been running from, running from
 I need you tonight
